.

PROJECT EXPERIENCE

Feedback Management System
The project is about collecting the feedbacks of the students who have attended that particular event and analysing the feedbacks and finally keep the track of all the feedbacks concluding whelther the event is successful or not.

INTERNSHIP EXPERIENCE

Digital Marketing:

Organization   :   Exposys data labs
This Organization provides various internships for students.From generating leads to email marketing I have worked on behalf of this organization and promoted that this organization will provide guidelines for internships on evolving technologies which will be very useful for their further placements as well as this will also provide a real-time hands on experience for the freshers.
